

Munn, Lena Foster (1875-1940)
Diary, 1935-1938. Gill, MA

1 vol. mss 19cm

A record of weather, domestic chores, farm work, local travel, and visits from family and friends. Munn mentions her husband Lewis' declining health, and the deaths and funerals of numerous individuals. The diary format allowed her to record as many as four years of entries for each day of the month, which she did in Jan. and Feb. Fewer entries follow.
